As regards increase in T. A charges, it depends upon the amount of work done & upon the control exercised by the head of the Dept. Increases due to the first cause are natural & work turned out is worth the money. As regards the latter Mr Chatterton may be trusted to see that his subordinates do not make unnecessary journeys.

Sir,

I beg to state that with a view to maintain better efficiency in my duties, I have resolved to purchase and maintain a motor bicycle. I request that an advance of 4 month's salary may kindly be granted to me for the above purpose.

In connection with the above I beg to mention that it is very rarely one gets a motor cycle for 500 rupees and I have now in view a secondhand machine. As I am afraid I may miss a good chance I pray that this application may be considered as early as possible.

I beg to remain,

sir,

your most obedient servant,

/ T. Kadaba

Asst. Superintendant of Industries.

Forwarded with a recommendation that sanction be accorded as it will greatly increase the amount of work which the Assistant can get through

OFFICE OF THE
DIRECTOR OF INDUSTRIES AND COMMERCE,
"RINGWOOD," HIGH GROUND,

Bangalore, 16th February 1915

SECTION E-F

63

FROM

ALFRED CHATTERTON, ESQ., F. C. G. I., C. I. E.,
Director of Industries and Commerce in Mysore,
Bangalore, (India).

To

The Secretary to the Government of H.H.the Maharaja of Mysore,
Departments of Education and Agriculture.

SIR,

I have received from the Officiating Financial Secretary to Government his No.Fl.4080/G.F.16-14-49 dated the 15th February 1915 in which it is stated that Mr. K.T. Kadaba the Assistant Superintendent of Industries cannot be given an advance for the purchase of a Motor-Cycle as his appointment is temporary. This is not Mr. Kadaba's fault but it is his misfortune and he would be very glad to have his appointment made permanent. I see no reason why his efficiency as an officer should be interfered with because he happens to belong to a temporary department. So far as I can see the Department of Industries will last much longer than the time necessary to recover from Mr. Kadaba the amount advanced to him for the purchase of a Motor-cycle. I would therefore suggest that in view of the fact that it is desirable that he should have a Motor-cycle so as to get about the country quickly, the order referred to above should be reconsidered.

It is true that his term of appointment expires on the 30th of June 1915; but an application has already been submitted for its extension and it may well be extended for a sufficiently long time to enable any advance made to him to be recovered.

I have the honour to be,
S i r,
Your most obedient servant,

A Chatterton

Director of Industries and Commerce.
